LS

Good morning Mr. Voss

Please find attached the revised agenda report.

As no formal motions are made in Committee of the Whole meetings, they could make an informal recommendation that a response from Administration be included in a future Council meeting, as has happened for previous items that came to a Committee of the Whole meeting.

Kind regards,

Leigh

Dear Ms. Sands,

Some further thoughts on the draft agenda report you sent to me.

In line with my proposed “ask” of the Council, I am not happy with what you provide as Options/Implications. In addition to the dismissive option that it simply be accepted “as information”, I believe that there should be an Option 2, namely, “That Council accept the presentation as information and provide Administration with further direction”.

I would appreciate receiving a copy of a revised agenda report in line with my suggestions.

Sincerely,

Ron Voss

Dear Ms. Sands,

Thank you for sending along a draft.

With respect to “Mr. Ron Voss from Dog With A Bone Society, will be in attendance to discuss with Committee of the Whole the provisions contained within the Council Code of Conduct Bylaw 12/2018, to suggest that the public be allowed to lodge a complaint against Members of Council”, I prefer that agenda report would end with: “…to propose that the bylaw be amended so that the public be allowed to lodge a complaint against Members of Council”, which would accurately reflect the action I am seeking from Council.

The bylaw as it stands, without an amendment, would not allow the public to make a complaint.

Sincerely,

Ron Voss

Ms. Knight,

My ask will be that the Council Code of Conduct Bylaw 12/2018 be amended to allow the public to lodge a complaint.

I will be representing the Dog With A Bone Society so expect the allowance of up to 10 minutes to make my presentation.

Sincerely,

Ron Voss

You will see from other Delegations, this is normally a brief summary which Leigh will share with you ahead of the publication of the agenda. This summary would be required by March 10th to ensure its included in the agenda package.
